Sadistic Plan

Niklas stared at Kim. The younger man had passed out from cutting himself too deep yet again. He wore nothing at all. Niklas grinned sadistically, knowing that he had manipulated Kim into trusting him. He almost felt sympathy for the poor man, but his sadistic desires were far too great to restrain. Niklas planned to hurt Kim so badly that he could never recover; however, he knew that it had taken years of manipulation to get to this point. Niklas knew that it would take time if he wanted to hurt Kim and have him come back, begging for more.
